About the Friends of the Poor Walk

The Friends of the Poor 10,000 Step Walk is designed to meet the busy schedules of people who care about their community and want to help others.

Instead of scheduling the Walk on one specific day, during a specific time, at a central location, The Friends of the Poor Walk allows participants to choose the day (or days), time, and location to walk that is most convenient during the month of September.

100% of the money raised stays in Pittsburgh to assist our neighbors in need. The Society of St. Vincent de Paul offers tangible assistance to those in need. Aid may take the form of direct dollar or inkind service, intervention, advocacy and consultation.
